

**KNOW YOUR FOOD... KNOW YOUR FARMER**

## **2012 VOLUNTEER APPLICATION**

---

Thank you for your interest in becoming a volunteer for Green City Market. The Green City Market is a nonprofit organization with a very small staff and we rely on the generous support, time and effort we receive from volunteers like you.

Green City Market is Chicago's only truly "green" farmers market, supporting and promoting local, sustainable agricultural practices. **The mission of Green City Market is to provide a marketplace for purchasing sustainably grown food that educates, promotes and connects farmers and local producers directly to chefs, restaurateurs and the greater Chicago community.** Our vision is to create a national marketplace model for distributing, promoting and educating about local and sustainably grown food. Green City Market values education about quality food and its source. We value farmers who take care of the land; the preservation of sustainably farmed land; a vibrant thriving community of local farms; and consumption of locally grown foods.

Now is a very exciting time to be involved with the market! Even though the market has been in existence for 13 years and our Wednesday and Saturday morning schedules may seem quick and routine, we strive for continual improvement as the market changes from season to season. As you learn more about the market and its vision, we encourage you to share your observations, interests and constructive suggestions so that you can help us shape the markets' direction. This is part of the fun we expect you will have in being a Green City Market volunteer.

Again, thank you for your interest in our market and becoming a volunteer.
