## ABOUT CHEF BBQ

Green City Market is bringing BBQ back — one of Chicago's most anticipated food events of the year.

In a food festival unlike any other, Chicago's top restaurants, brewers, winemakers, and mixologists provide tasting portions of locally-inspired dishes and craft beverages highlighting ingredients from Green City Market's local, sustainable farmers.

What's even more delicious? Your attendance benefits Green City Market's 501(c)(3) nonprofit mission to secure the future of food by deepening support for sustainable farmers, educating our community, and expanding access to locally-grown food.

**Join us on Thursday, September 9 for year 20 of Chef BBQ and lift up your local food system.**
