

Seasonal Part Time Farmers Market Manager, Lincoln Park, West Loop, Wicker Park, Logan Square, Lincoln Square, Evanston, South Loop
Jacobson Family Farms seeks multiple seasonal part time Farmers Market Managers to join our growing team.

About Jacobson Family Farms

Jacobson Family Farms is a four season, regenerative vegetable, fruit, microgreen, mushroom, hemp, honey and pastured poultry farm in unincorporated Antioch, IL. Located about an hour north of downtown Chicago, Jacobson Family Farms attends over ten farmers markets per week in various Chicago neighborhoods.

Responsibilities

The Farmers Market Manager meets at the designated Farmers Market and reports to the Director of Operations and President.

- Setup produce display
- Sell products to customers
- Stock produce, poultry, egg, honey and CBD products
- Breakdown produce supply
- Unload and load farm vans and trucks

Applicant

An ideal applicant will:

- Have a passion for selling local, high quality, nutritionally dense and environmentally friendly food.
- Have the ability to lift 50 lbs
- Be able to consistently meet on time generally early in the morning
- Have knowledge of produce and ways to utilize products in dishes/recipes.
- Enjoy working outdoors in all types of seasonal conditions
- Enjoy talking with customers

Work Environment

Rain, snow or shine we work hard to bring customers freshly harvested produce 52 weeks a year.

Schedule

Multiple shifts and work days available including...

Tuesdays 6AM-2PM, Wednesdays 6AM-2PM, Thursdays 3PM-8:30PM, Saturdays 6AM-2PM, Sundays 7AM-4PM starting May 1st and ending November 15th.

Compensation

Part time Farmers Market Manager positions pay \$15 per hour.
